Some tales become life long memories
and some experiences become love forever..!
Such is our drive at **Chirping Tales Café.**

The Café brings you a range of dining options that have been thoughtfully handcrafted to give you an experience of what flavors of the Himalayas feel like. Every traveler is sure to find their own little cravings fulfilled here with a range of Indian curries, Italian fare, continental spread, home baked breads and lip smacking desserts accompanied by the warmth of freshly brewed coffee. Special attention has been rendered towards bringing the best of local produce in everything we serve. From local herbs to home grown vegetables, fresh fruits to self-baked breads- the authentic flavours of the hills will form an essential part of your experience here.

For all the 'chit-chat' ones, our coffee menu promises to be a great 'conversation starter' with Cappuccino, Latte, Espresso and juices served with self-baked cookies, muffins and twisters.

Chirping Tales Cafe
awaits you to create your
own mountain story!
